

# Preparing for Middle School: Information and Resources for 6th Grade Parents

A panel of the two Middle School principals, Terry Calen and Mary Anne Nuskin, Judi Strang of San Dieguito Drug Free Alliance and possibly a resource officer for San Dieguito High School District will talk a little about preparing your kids for middle school and answer questions you may have about this significant transition time. Both events should be the same, just different locations, so parents from all 9 schools can attend.
