## **NOTICE OF INTENT TO RETURN**

The end of the school year is fast approaching and it is time to begin planning for the 2010-2011 school year. One of the most crucial pieces of information for us to work with is the number of children that will be enrolled at our school next year and the grades in which they will be enrolled. As you can imagine, it is important for us to have the predicted enrollment number be as accurate as possible, since this information affects almost every decision that will need to be made. Therefore, we are asking each family of current students to share their plans for next year with us now. Please fill out the bottom portion of this form and return it to your child's teacher by **Friday, May 28, 2010.**
