Welcome to the most exciting junior golf camp in the North County! Our camps are tailored for all skill levels; from the beginning player just starting out to the more experienced player looking to hone their game at the Jr. Tournament level. TGA camps provide a fun and exciting atmosphere to play golf, build friendships and create lifelong memories. The class covers stretching, golf grip, aim, stance, posture, putting, short game, long game, basic rules, etiquette, fun games and contests. The camp gives the camper a break with a Thursday trip to Boomers and on Friday we travel to Rancho Carlsbad for a round of golf with an instructor in every foursome. Each day begins and ends at El Camino Creek Elementary.
