

# Yearbook Cover Contest

It's that time again!  
Submit your artwork in the contest for the cover of the  
2009-2010 LCH yearbook.

Draw, paint, collage. You choose the medium.  
Show us just how creative you are!

This year we are introducing a **new theme – Green Heroes of LCH**. We will be looking for artwork that reflects how our students at LCH are making choices that will benefit the environment and help preserve the Earth's natural resources. Some examples might include recycling (battery, bags, plastics), beach clean-up, reducing waste at lunch, reducing paper use etc.

Final submission must be on an 8 ½ x 11 piece of paper. Please create your artwork on the paper **vertically** (narrow side on top and bottom).  
**Bold colors work best.** Do not fold the paper!!

Please include the school name (“La Costa Heights” or “LCH”) as well as the school year (“2009-2010”) in your design.

Please write your name, phone number, teacher and grade on the **back** of your paper. Do not use Sharpie pens to write this information!!!

Turn in your artwork to your child's teacher. They will be forwarded to the yearbook committee.

**Deadline for submissions is Friday, November 13, 2009**  
**One entry per child**

Artwork runner up entries will be used for title page, back cover, and for use throughout the yearbook.
