

Get an Umbrella Stand and help LCH Students!

Only The Original Umbrella Stand works well both at the beach, and on the field. Whether windy, soft sand or hard grass, the stands holds up like no others. Now with Thumbscrews to secure your umbrella! The Umbrella Bags hold the stand and your umbrella for easy carrying and has pockets for keys, snacks and whatever you need to bring to the game or beach. These stands are durable and last for years. All these items make great gifts while raising money for much needed programs like music, the reading specialist and new mini laptop computers. Five dollars from each item sold will be donated back to La Costa Heights and there's no shipping and handling charges!
