This school year take a trip *anywhere*, be *anything*, with reading!

presents:

# Reading S.T.A.R.S.!

Sensory Training Approach to Reading and Spelling

Reading STARS is designed to enhance reading and writing skills of typically developing children in early Elementary School grades by increasing phonological awareness skills through a multisensory approach. Reading STARS enrichment classes integrate visual, auditory, and tactile modalities for an interactive, well-rounded approach to reading that helps all children become accurate, proficient readers. Included in each class are fun games, hands on activities, poems and songs as well as reading and writing time for an "All About Me Book" each student creates over the course of the session. Reading STARS provides an encouraging, supportive, and highly positive environment. We want your child to succeed!
