### OUR AFTERSCHOOL PROGRAM

The Boys & Girls Clubs of San Dieguito has been providing after-school activities and programs since 1966.

The Encinitas Branch offers an ASP (After School Program) that serves 5-15 year olds. Our trained professional staff incorporates Arts & Crafts, Sports & Rec. Games, and Tech Lab into our daily activities. We offer an afterschool homework lab for all students that attend along with an afterschool Power Hour program that offers assistance in homework to our members. At the Encinitas Branch we also have a separate teen center for our 7th & 8th grade students.
