Not-So-Scary Estuary October 22 & 23, 1-4 pm

Meet creepy, crawly, and hooting nocturnal animals this Halloween. Explore the “Bat Cave”. Go trick-or-treating along the loop trail, and enjoy live animal presentations each day at 2 pm. Through hands-on activities and exhibits, you’ll learn secrets about native owls, spiders, bats and other critters that “spirit” the lagoon after sunset. Discover they’re not-so-scary, after all!

Next Family Discovery Days: Winter Birds of San Elijo Lagoon, January 21 & 22, 1-4 pm
